### UNESCO MIL Alliance EU Mediterranean Group Sub-Chapter

is coordinated by **EKKOMED – Hellenic Film and Audiovisual Center**, since 2018, during 2018 UNESCO Global Media and Information Literacy Week and the Feature Conference in Lithuania – Latvia.

It consists of institutional members - public bodies, regulatory authorities, research organizations, media institutions, educational institutions and Creative Industry bodies, from across the Mediterranean region, following UNESCO MIL's ecosystem.

The aim of the Euro-Mediterranean Group of **UNESCO MIL Alliance** is to promote regional Media and Information Literacy through actions and networking towards strengthening policies and practices in 5 Task Forces: **a) synergies, b) research, c) policies, d) Creative Industry, e) formal education.**
